

CHAPTER 13.

ATTITUDE OF ASSEMBLY ON THREATENED WAR.

S. J. R. 6.

A JOINT RESOLUTION recognizing the grave crisis of the nation and expressing the attitude of this general assembly in sustaining the President and Congress in protecting this neutral country and its citizens against any belligerent nation that shall infringe upon the rights of neutrals or the citizens of our nation consistent with national honor and humanity.

Be it resolved by the General Assembly of the State of Iowa:

WHEREAS despite every effort on the part of our government and nation to preserve neutrality in the present deplorable conflict raging in Europe, and despite the sincere desire of the people of our nation to remain at peace with the world and to further every effort to bring to a close the present world's war, it appears that our relations with the belligerent nations have become extremely delicate and that decisive action has been taken by the President of the United States for the assertion and protection of our national rights and our national honor.

Now, therefore, be it resolved, that the general assembly of Iowa hereby expresses the hope that war may be averted if possible, but that the state of Iowa will sustain the President of the United States and Congress in standing firmly and determinedly in protecting the citizens of this neutral nation and the national honor against any belligerent nation which shall infringe upon such rights.

The governor of the state is instructed to tender by telegraph to the President of the United States, the military and financial resources of the state of Iowa in support of his stand for preservation of national rights and dignity.

Approved February 15, A. D. 1917.
